We Are Sweet Adelines

Committed to advancing four part acappella harmony thru performance, musical education and community outreach.

Route 66 Sound Chorus is one of five Albuquerque barbershop chorus's that are part of the Albuquerque Barbershop Community Collaborative, ABCC. A non profit 501c3 organization which promotes and perpetuates the barbershop art form by leveraging resources to raise awareness of and participation in this unique segment of the New Mexico performing arts community. A major event the ABCC sponsors is the New Mexico Youth Harmony Camp. In its 16th year, this camp held at New Mexico Tech in Socorro for high school youth, introduces them to acappella singing over three days with a final performance at UNM's Rodey Hall.

Route 66 Sound Chorus

Route 66 Sound Chorus is an a cappella women's barbershop chorus and is an Albuquerque chapter of Sweet Adelines International (SAI). SAI, established in 1947, is a worldwide organization of women singers committed to advancing the musical art form of barbershop harmony through education, performance, and competition at the regional and International levels. This independent, non-profit musical education association is one of the world's largest singing organizations for women.

Our Purpose

Route 66 Sound Chorus's goal is to create exciting and smile-inducing performances that push the envelope of the barbershop art form. Our mission statement includes these goals:

- We want to perform within this community
- We want to educate others about the barbershop style of singing
- We want to compete in our regional competition annually and encourage other barbershop choruses in Albuquerque to compete in their regional competitions
- We want to attend educational seminars held by our region in Albuquerque and other cities within our region (covering southern California, Arizona and New Mexico)

Route 66 Sound Chorus is a 501c3 non-profit organization. We use sponsorship money to pay for items such as costumes, risers, vocal/choreography coaching, musical arrangements, learning tracks, attendance at educational seminars and numerous other expenses.

Why Should You Help

Please consider supporting Route 66 Sound Chorus by becoming a sponsor. You will be giving back to your community while helping our organization in its quest to attract women to become a part of preserving and promoting this uniquely American, and quite difficult, art form. Participating in "team singing" does more than teach women to sing. It builds character, self-esteem and learning skills as well as teaching interpersonal skills they will use the rest of their lives.

Sponsorship Levels

All sponsorships run from January 1 through December 31. Route 66 Sound Chorus will include recognition of all sponsors and their sponsorship levels in our show programs and a link to these sponsors on its website.
